

Visiting the Library

Today I am visiting
the library.

In the library I use my
quiet voice.

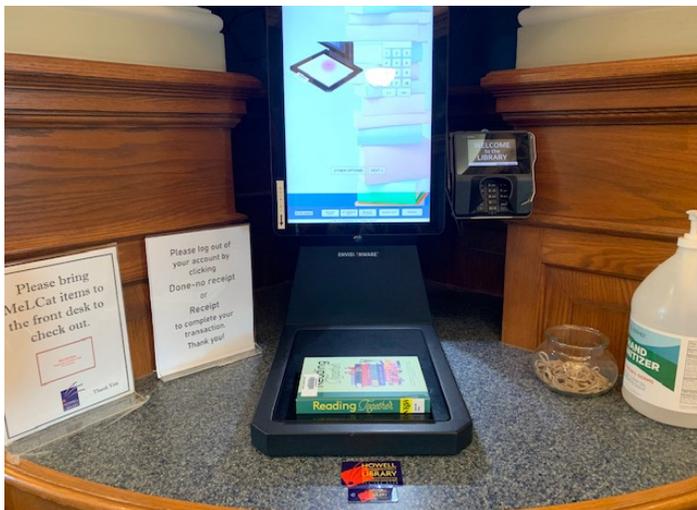

The library has an elevator
I can use.

Adult Services is on the
main floor/ floor 1.

Youth Services is
down on **floor G.**

The library is a place where I can look at, read, or borrow books.

I can borrow books for 3 weeks with my library card.

When I am done with the books, I have to return them so other people can borrow them too.

At the library I can also borrow magazines, puzzles, CDs, DVDs, and so much more.

I can play games or look up books on the computers.

I can print, copy, or fax things at the library.

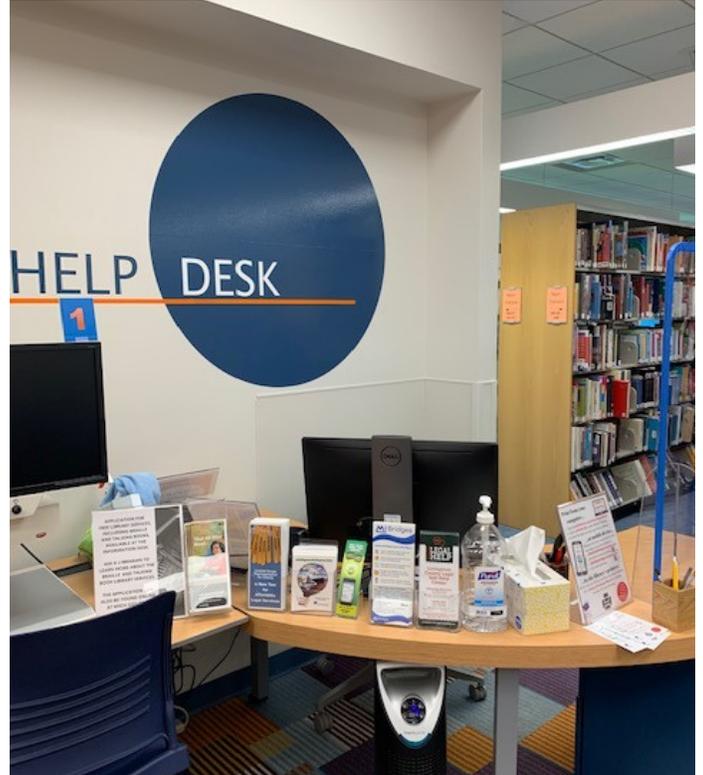

There are lots of cozy spots to sit in the library.

When I have questions, I can ask for help at any of the information desks.

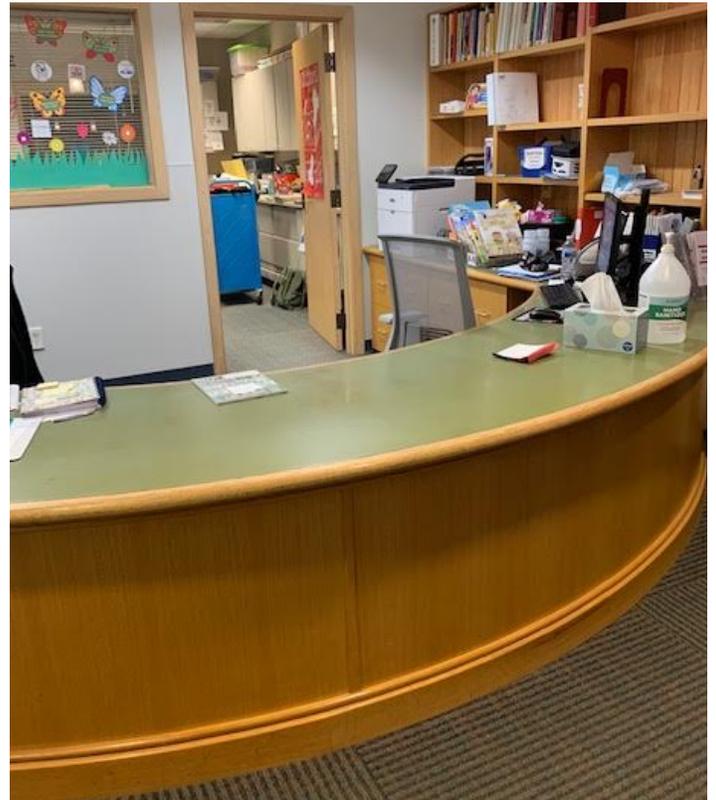

Circulation Desk- 1st Floor

Computer Help Desk- 1st Floor

Information Desk- 1st Floor

Youth Services Desk- G Floor

I should always check the library's hours before I visit, because sometimes they close for holidays and other special days.

The library is a great place to visit!
