

Visiting the Library

We are visiting the library

In the library I use my quiet voice.

The library has an elevator I can use. Youth Services is down on the **G floor**.

The library is a place where
I can look at, read, or
borrow books.

I can borrow books for 3
weeks.

When I am done with the
books, I have to return them so
other people can borrow them
too.

At the library, I can also borrow magazines, DVDs, STEM kits, and so much more.

I can play games or look up books on the computers.

There are lots of cozy spots to sit in the library.

Circulation Desk- 1st Floor

When I have questions, I can ask for help at any of the information desks.

We should always check the library's hours before I visit, because sometimes they close for holidays.

Visiting the library is so much fun!
